### Opinions

1. GySgt Tyson knew her husband was not allowed aboard US Military Installations. [FF (1-9)]
2. GySgt Tyson was under the impression that her husband was only debarred from military installations in Japan and not off base areas. [FF (1-9)]
3. GySgt Tyson brought her husband onto Kadena Airforce Base and Camp Foster even though she knew he was not allowed to enter. [FF (1-9), (39-40)]
4. The debarment should inform agencies such as MMOA/MMEA or Area Clearance Coordinators to prevent Web Orders or Area Clearances from being issued/approved. [FF (10, 11, 12, 18, 19)]

### Recommendations

1. The debarment letter should be revised to include not just military installations in Okinawa, but the ability to obtain Status of Forces Agreement status.
2. GySgt Tyson should be formally counseled for failing to request permission from the commander of the facility or area that her husband entered.
3. It is recommended that the debarment process be revised in order to inform all agencies in the Permanent Change of Station process that a service member has a debarred dependent.
4. It is recommended that HQMC create a draw case code that allows MMOA/MMEA and Area Clearance Coordinators to view prior to issuing orders or approving area clearances.

(d) Inter Service Memorandum of Agreement re: Installation Bars

1. In accordance with reference (a), an administrative hearing was conducted to consider reference (b). Reference (b) reported your family member spouse, Donyae, as a subject in an incident involving narcotics. Based on the information provided in references (b), and the hearing, it was determined by a preponderance of the evidence that Donyae committed the offense of conspiring with another individual to illegally import marijuana into Japan. Mr. Tyson's behavior is unacceptable and his presence on Marine Corps installations and camps is contrary to good order and discipline. Accordingly, request the Commanding General, 1st Marine Aircraft Wing direct SSgt Sharonda L. Tyson to expeditiously process family member spouse Donyae R. Tyson for early return to the CONUS in accordance with reference (c). Additionally, the following sanctions are imposed:

a. Debarment. Effective 1 July 2010, family member spouse Donyae is debarred from entering all Marine Corps camps and installations in Japan until 1 July 2030. In accordance with reference (d), this bar from entry order is valid at all United States military facilities and areas in Japan. This means Donyae may not enter any such facility and area while the bar from entry order is in effect. If Donyae wishes to enter any facility and area in Japan, he must request permission from the commander of the facility and area he wishes to enter. The commander of that facility and area will then consider the request using the appeals of bar from entry order procedures established for that facility and area.

b. Restriction to Quarters. Upon receipt of this letter, Donyae on-base and off-base movement is restricted. While restricted; Donyae may depart quarters only under the supervision of his sponsor or command rep. This restriction will remain in effect until amended, cancelled or Donyae's departure from the island.

-GySgt Tyson did not disclose any information to me as to why her husband was unable to execute PCS orders. GySgt Tyson was very reserved when informing her leadership with personal matters, she repeatedly withheld pertinent information from her leadership. Often times her integrity would be questioned due to her withholding facts or manipulating the truth.
- 3) Did GySgt Tyson state how she got approval to bring her husband to Okinawa?  
-I am unaware how GySgt Tyson was able to bring her husband, as she was relieved for cause on September 26, 2017 and was no longer working in the 3dMAW COMCAM section. GySgt Tyson received her PCS orders after her removal from the COMCAM section, therefore I was not included in her overseas screening/ checkout process.

On Monday 27 Mar 2017 at 2348 PST I received an email from [REDACTED] asking for a statement on GySgt Tyson's debarred dependent in Okinawa. He asked for answers to the two questions below and any additional information that I would like to provide.

1) Was the command aware that GySgt Tyson's dependent was debarred from Okinawa, Japan?

I was not personally aware that GySgt Tyson's dependent was debarred from Okinawa, Japan. The first time I personally heard that GySgt Tyson had a debarred dependent was when I received the email from CWO3 Jones on 27 Mar 2017.

2) Was GySgt Tyson personally interviewed by you during her overseas screening?

I do not specifically remember interviewing GySgt Tyson. I was not GySgt Tyson's direct supervisor. I am the deputy G-3 at 3d MAW. As a Combat Camera Marine GySgt Tyson fell under the G-3 staff section for administrative purposes. As the deputy G-3 I do end up covering down on assorted administrative tasks on behalf of the G-3. When I signed GySgt Tyson's overseas screening package I do not remember seeing any information that would have led me to believe she had a debarred dependent. I also do not remember GySgt Tyson mentioning that or any other issues to me in any conversation that I had with her.

GySgt Tyson received orders, with several modifications to dates and MCCs, to Okinawa. In late 2016, CWO2 Spradlin informed my that GySgt Tyson's husband had a legal issue that may prevent him from executing orders with her. She considered only taking her son. Later (I believe January), her OIC informed me that she had 'worked it out with the monitor.'

Her overseas screening interview was conducted by  I did not personally interview her. Her overseas screening form (NAVPERS 1300/16) gives no indication that her husband was debarred from Okinawa. GySgt Tyson did not sign this form.
